FOREWORD

Four years have passed since we entered Fork Union Military Academy, as the lowest order of human species, the Freshmen. These years have gone by so rapidly, that we cannot set down all the experiences, thoughts and activities which we have enjoyed during our years at Fork Union. So we, the Skirmisher Staff, will endeavor to bring to you those important events that highlighted our stay at Fork Union. We leave to you the task of associations, for we have very different and in many cases divergent thoughts concerning our stay here. As you look through the book, remember the despair—too often felt—as well as the hope and use this brief past as a lesson to secure a future brimming with success. We may only hope, in any case, with some degree of assurance, that we have represented Fork Union as you have known it.

DEDICATION

Professor of Military Science and Tactics and Commandant of Fork Union Military Academy, *Major Fletcher* is one member of the administration who has had close contact with almost every member of the cadet corps. To many, he stands as the personification of the strength, dignity, generosity and true Christian character that we all hope to become in our life time. He represents a vital force which expresses itself at both the administrative and personal levels of the academy life. It is in these terms, that we think of *Major Fletcher* in this dedication. Many a senior and underclassmen will never forget the advice and understanding he gave them. His unselfish accomplishments on our behalf are deeply planted in our character, outlook and approach to the future. Out of respect and gratitude for his presence at Fork Union, as our Commandant, friend and adviser, the Senior Class of '56 is proud to dedicate the 1956 SKIRMISHER to him.

MAJOR PAUL M. FLETCHER, B.S., U. S. ARMY
P.M.S.&T. AND COMMANDANT

2. ADMINISTRATIVE STAFF & FACULTY

The faculty wish to continue to develop new knowledge for man's health, welfare and security. They plan a better education for us and a solid foundation upon which we can build useful lives as citizens. For the progress they make now and later means that our diploma from Fork Union is just that much more valuable. We will be alumni as long as we live. So they hope we will be proud of and profit from our association with Fork Union. They hope, too, that we will maintain an active interest in their problems, their programs, their progress in the years ahead.

IN MEMORY OF

Mrs. Katie Petty Snead

Died February 12, 1956

The untimely death of Mrs. Snead was a shock to all who knew her. She has been associated with the Academy since 1907. Mrs. "Katie" was a most loyal friend to everyone and has earned an honored place among the many others who have served so faithfully.

3. SENIOR CLASS

To you the Senior Class of 1956, we the Skirmisher Staff hope, this volume of the year-book will be one that all of you will cherish more and more as the years go by—for it will bring back memories of a period in your lives when many new avenues of interest were opened to you. Here on the campus of Fork Union you made new and lasting friends, and you obtained an insight into the areas of learning which civilized man has uncovered through the ages. We hope that you have acquired a background for "earning a living" and above all a clearer understanding of "how to live". Remember that it is only through the search for truth that man can really become free. So as each of you go forth into a competitive and disturbed world, may you look back on your high school experience as a period when you started your development of maturity and understanding—where you learned to know yourself as well as your fellow cadet.

1953

(Just Freshmen)

When we entered the freshman class in the fall of 1953, we were all a little scared of what the future held in store for us. As the year passed, we found that things became easier with time. Some of us took our task in stride while others hit the bumps, crooked road on the way to a even harder first year. Our sergeants were rough and our details hard at times, but most of us pedaled through with flying colors. We were "rats," this our first year and the upper classmen didn't let us forget it. But the year passed quickly and we started looking forward to our second year when our duties would be easier.

1954

(Sophisticated)

This was the year we found ourselves coming back to a school that was not new to us. Fork Union was now our second home. Our old friends were back and only the first year men were strangers to us. We now felt that we were a part of the Cadet Corps, because many of us were non-coms, important members of clubs, or teams, or were considered higher by the older cadets. It seemed funny at first for us, as we had no details or outside police, but we were now telling the first-year men to do our previous details. It was a change to have our names on the good side of the delinquent sheet, but some of us kept on in our old practice, walking off demerits. We were cocky and our rank did go to our heads a little.

The majority of our class did not worry over our grades, for we felt that there was still plenty of time to pull them up. All we could do then was to wait for our junior year, hoping it would be better than the previous one.

1955

(Intellectual)

Our third year was a start for bigger things for many of us. Many of our class became junior officers, as senior non-coms, some became officers of clubs or good athletes. In this year we thought of our senior averages and college a little more than we had previously. Our grades became more of a problem to us. It seems rather late for us to bring our average up but we were a determined lot and we worked harder.

The deep spirit of our old tradition became an important part of us, and it was now our job to uphold this tradition for the future juniors. We were now rounding the last turn down to the finish line, our fourth and final year.

1956

(Dignified)

It is hard for us to realize now that we are seniors, at last, we have completed our desires for the last three years. We have worked hard, learned more about our studies and life, and hope that we have set a good example that everyone will profit from. Seniors, the very word itself sets us apart as some thing special over the rest. Our class is one with many interests, some are officers in the corps, others have good grades in school, some are athletes, and then there are the few that had a part in all of these. Everyone in our class is a potential leader.

Everyone says it feels good to be a senior, and we will keep saying it until the final day of graduation comes and then deep down in our hearts there is that certain feeling that everyone gets, wishing we had a few more years at such a fine school as Fork Union. As we think back on our life here at school we remember the happy times as well as the sad ones, but now we want only happy memories. We now realize that we must face life on our own two feet and become future leaders that everyone expects of us.

The future is what we make it, but all of us will meet what obstacles confronts us, with the spirit to overcome it. Our class will thank Fork Union and its distinguished faculty for their many aids in our education for many years to come.

We now go on our individual way knowing that we leave behind a school that holds body, mind, and spirit on the highest plane.

HALL OF FAME

(SENIOR CLASS ONLY)

MOST:

<i>Likely to Succeed</i>	Turner, J. T.
<i>Mature</i>	Martin, H. M.
* <i>Informal</i>	Sheppard, D. F. and Sutherland, C. B.

Captain Greene and a group of the non-commissioned officers

4. MILITARY

The Department of Military Science and Tactics was established here many years ago in order to help provide leaders for the State and Nation. The primary purpose today is to train young men who desire to follow a military career. All cadets unless specifically exempt under the Academy Rules, are required to take this training for a period of four years. If the course is successfully completed, it will lead to a commission in the Officers Reserve Corps with an additional opportunity of gaining a regular Army Commission through subsequent schooling. The four year program here involves class instruction, drill and all fundamentals of soldiering. On the pages that follow you will see recorded there, our competent Military Staff and the entire "Corps of Cadets".

M. S. T. I

The first military class known as M. S. T. I - Military Schools Training - is required of all cadets entering Park Union for the first time provided they meet the eligibility requirements. It is under the capable instruction of *Captain Greene* and *Sergeant Hawley*. The first year cadet becomes an active part of the "Corps of Cadets". The course of training as prescribed by the Department of the Army is as follows: individual equipment, ceremonies, customs, conduct, hygiene, first aid, weapons, marks, drill, dismounted and physical training, and tactics. The year of instruction is crowned by a "Government Inspection" held late in the spring of each school year.

M. S. T. II

In M. S. T. II (Military Schools Training), *Sergeant Baker* is the principal instructor. The M. S. T. II course is more detailed in the application of principles to tactics and emphasizes "Learning by Doing." New subjects such as military organization, field sanitation, and elementary communications are introduced. The cadets who take this course are in line for promotions and awards if they work very hard in order to earn for themselves a place of importance in the Corps of Cadets.

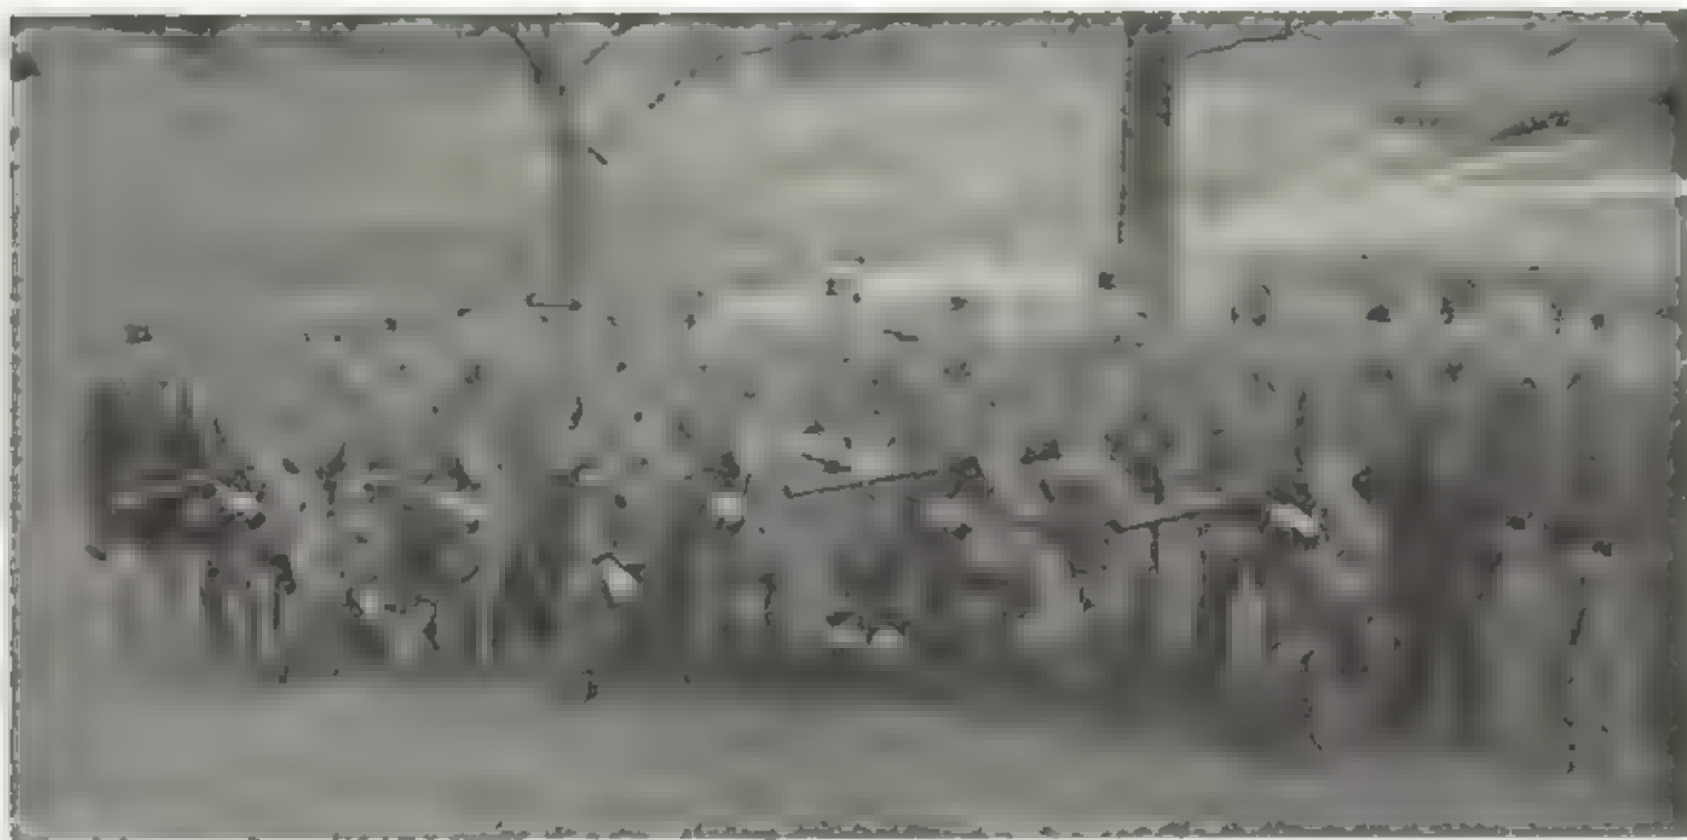

M. S. T. III

Under the leadership and capable instruction of *Master Sergeant Parks*, the cadet enters M. S. T. III (Military Schools Training), which continues some of the basic subjects of M. S. T. I and M. S. T. II and adds a few more advanced courses of study necessary for the Senior R. O. T. C. program. The most important new subject appearing in M. S. T. III is Leadership. The cadet learns the characteristics of a good leader, he is schooled in leadership techniques and principles and is given concrete and practical examples of good leadership. M. S. T. III students also are given Map Reading as a basis for the next year of work. The cadet after finishing this course should be able to effectively command a platoon or company of the Battalion here at Fork Union Military Academy.

M. S. T. IV

Our M. S. T. IV is the highest class in military instruction available at York Union and only fourth year cadets may enter this class. *Captain Kenneth H. Gilmore* teaches this to our cadets and he does a superior job. This course reviews the more important basic courses covered and then adds a few of the more difficult subjects necessary for a well rounded military background. The new work added is military teaching methods, conduct of instruction, aerial photograph reading and new developments.

The P. M. S. & L. *Major Paul Fletcher* may grant to selected graduates a certificate of equality which will entitle the cadets to consideration for Advanced Courses, R. O. T. C. at college where application is made, subject to the regulations prescribed by the institution concerned.

5. ORGANIZATIONS

The approximate number of organizations open to you, the Fork Union cadets, is eighteen. Most all fields of study sponsor a club with a faculty officer acting as adviser to each group. By joining one of these organizations, you gain information that will be important to you now, later in college, and even in life after you have graduated. Every cadet at the Academy is welcome to join any of the many organizations. Each cadet has to belong to at least one club, if not active in two or more of the major sports. There is plenty of work and fun if you enter the club or clubs of your choice and really support them. The following pages will give you some idea of the clubs, their activities and membership.

Sabre and Quill & Scroll

THE SABRE STAFF

Quill and Scroll, the International Honorary Society for High School Journalists, was organized April 10, 1926, by a group of High School Advisers for the purpose of encouraging and rewarding individual achievement in journalism and allied fields. The Society has always taken an active part in raising the standards in its field and in directing the course of high school journalism. According to the Constitution, members of the Quill and Scroll must be chosen from the students enrolled in high school who at the time of their election meet the following requirements: (1) They must be of at least junior standing. (2) They must be in the upper third of their class in general scholastic standing at the time of their election. (3) They must have done superior work in some phase of journalistic or creative endeavor. (4) They must be elected by the adviser or the committee governing publications. (5) They must be approved by the executive secretary. Our Chapter of Quill and Scroll was organized during the school year of 1946 and 1947. For the past two years the Quill and Scroll has published a School Directory containing the names and addresses of all the cadets and faculty.

ATHENIAN
LITERARY
SOCIETY

The Athenian Literary Society once again enjoyed a very successful and profitable year. The capable cadet officers were Robert Turner, President, Robert Motley, Vice President, John Glover, Secretary, Treasurer, and Don Deban, Sergeant at Arms. Numerous debates, individual talks, and the reading of prose highlighted the year as the society continued to grow in both number and maturity. We have been taught how to speak before an audience, to use parliamentary procedure in elections, to conduct meetings, and to debate logically with a purpose. Debates with other schools and with the Caceronin Literary Society have taken place during the school year. If this year be any indication of what the future will bring to the Society, then next year and the following years can only hold continued progress and success.

CICERONIAN LITERARY SOCIETY

GEORGE DENNIS FISCHER
President

The purpose of the Ciceroian Literary Society is to help prepare its members to learn to express themselves in better ways orally. This is accomplished by stressing the need for actual participation in debate contests and in delivering declamations and orations. Our program has been enlarged this year to include a series of eight debates with other schools in the Military League. With the experience gained by our members who speak in these contests, we will attempt to emerge as victors in our annual program during Commencement Week when we are opposed by the members of the Athenian Society. In recognition of achievement in this contest, a silver cup is presented to the winning team, and medals are awarded to those cadets who have done outstanding work in giving orations, readings, and declamations.

WILLIAM HENRY PHILLIPS
President

SPORTS CLUB

The Sports Club was in its fifth year under the direction of Major Ira E. Smith and Captain Stanley L. Kent. The Club is one of the most popular extracurricular activities at the Academy. The Club offers entertainment and instructions in the form of movies which were enjoyed always by all. Movies of baseball and football were the most enjoyed, but in the movies were also minor sports like hockey, tennis, swimming and auto racing which were also enjoyed by the group as a whole. These films shown to the Cadets were ones of top performances and excellent instructions by the great men and women of yesterday and today. Major Smith and Captain Kent hope that the Club will continue to carry on in the future as it has in the past years.

Kent. 3rd row, left to right: Berardi, A., Boatwright, C., Barker, D., M., H., Newborn, J., Ezzell, R., Dyal, G., Davis, F., Lucy, M., Fletcher, V., Yemma, A., Mann, R., Goss, B., Seyler, J.

THE GLEE CLUB

BILLY LANGSTON GOING
President

Again this year the Glee Club is the most sought after extracurricular activity on our Campus. This small group of talented young men under the direction of Captain Gearhart works hard to present an entertaining program whenever called upon. We will long remember our concert at Saint Anne's School, our programs here at the Academy, and the joint concert with the Girl's Choir of the First Presbyterian Church of Richmond, which was presented both here and at Richmond. All our concerts will long be remembered for the enjoyable time we had in presenting them. In the past years the Glee Club enjoyed many social occasions, and this year was far from an exception. In the years to come we hope that this group may enjoy the fruits of their labors as much as we have this year.

1st row, left to right: Going, B., Dudley, R., Brown, J., Neidig, R., Viana, R., Price, M., Ainsworth, A., Wimmer, I., Williams, I., Zimmerman, K. 2nd row, left to right: Gardner, K., Matheny, C., Howell, M., Vega, J., Kernigan, J., Newton, S., Captain Gearhart—Director, Weller, R., Metcalfe, J., Montfort, T., Walker, J., Sumner, L., Jordan, R., Clark, S., Ivson, O., Quattlebaum, R.

SPIROS NICHOLAS TRAVASSAROS
President

CURRENT EVENTS CLUB

(Captain C. W. McCabe)

The other division of the Current Events Club was under the direction of Captain McCabe and they met each Wednesday night in the Business English class room. At the opening meeting after the election of officers the club was divided into five teams. Each week two teams are in charge of the program. The boys bring newspapers, magazines and current periodicals to the meeting. Each member in turn gives a report about an item which is of interest to him. The Club even keeps up with the adventures of one or two favorite comic strip characters. The Club feels as if they have helped a large number of boys who were shy about speaking on their feet as the club insist that each boy make a report when it is his turn.

Seated, left to right: Wilson, D., Travassaros, S., Faculty Adviser—Captain McCabe, Sheppard, D (Vice-President), Falbo, N. Standing, left to right: Morris, M., Gomez, E., Wade, G., Wuthington, J., Allingham, R.

CURRENT EVENTS CLUB

(Major H. R. Kelly)

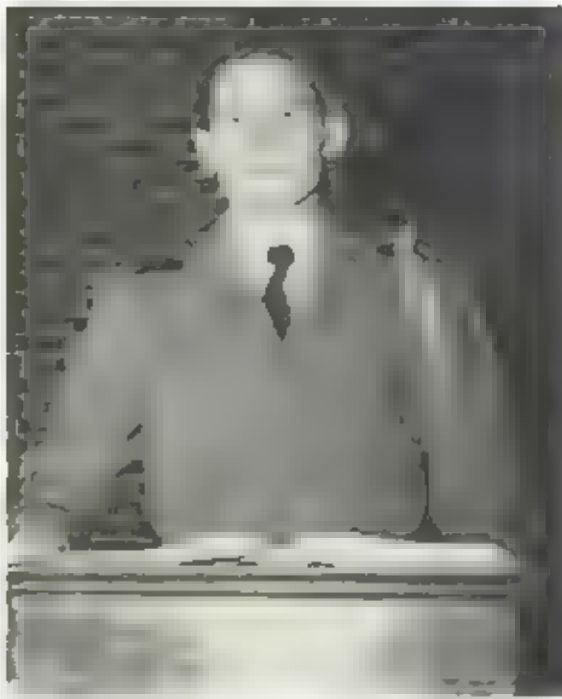

JAMES THOMAS TURNER
President

The Current Events Club meets at seven o'clock every Thursday night. The purpose of the club is to help the cadets keep informed as to what is happening in the outside world—both at home and abroad. Each week a designated group is held responsible for securing or gathering the weekly news and presenting it to the club. The reporting of the news usually takes the form of reading excerpts from current newspapers. The club enables the members to catch up on the news of the week and different events on the campus. During our spare time, the entire club takes part in a general discussion of current news and events.

Seated, left to right: Turner, J., Sigmon, F., McCallie, J., Andrews, C. Standing, left to right: Faculty Adviser Major Kelly, Daugherty, J., Coles, W., Hitt, F., Gladstone, B.

JAMES THOMAS TURNER
President

C.

C.

U.

The Cadet Christian Union is an organization the chief aim of which is to promote a cheerful christian atmosphere on the campus and to promote a link between the students on the campus and the local churches. Our organization meets in the John J. Wicker Chapel each Sunday evening at seven to show religious movies. We also have some good speaker from the faculty or from some local church. The C. C. U. is popular in most leading southern colleges. So we feel that Fork Union is fortunate being only a preparatory school, to have such an organization on its campus. We are now in its seventh year as an active club at the Academy, even so, it has received recognition among the college C. C. U.'s in Virginia. This year we attended and took part in the Inter-denominational Christian Convention at Natural Bridge, Virginia.

Seated, left to right: Libby, W., Street, R., Turner, J. (President), Faculty Adviser—Captain Ben Bray, Turner, R., Fischer, G., Wilson, J. Standing, left to right: Van Epps, J., Neidig, R. De Jan, D. T., Dudley, R.

OFFICERS' CLUB

Nealon, E.
Ruiz, R.
McGee, M.

Vice-President
Secretary-Treasurer
Sergeant-at-Arms

JAMES THOMAS TURNER
President

The Officers' Club is composed of all sabre rating cadets in the Corps. The Corps of Cadets is organized into a Battalion with the Lieutenant Colonel as Battalion Commander. Each cadet officer has a definite assignment in his respective unit and is responsible for military proficiency, as well as the conduct of all those cadets under him. This year, the Officers' Club has as faculty adviser Major Paul M. Fletcher of the U. S. Army Infantry, who is also the Commandant of the Corps of Cadets. He has aided the club a great deal by his supervision and direction. He was also instrumental in securing a much finer club room than the one used in the past years. The new club room is located in the Music Building. The club members ornamented the room with their own flags, pictures, swords, and pennants. This was the first year that members have drafted a constitution by which they abide. The room has been named "Club 56" and it provides a place for our leisure and relaxation during our spare moments. It is the feeling of the cadet officers that this year the Officers' Club has made more progress than any of its predecessors and many more benefits have been derived. The club officers are responsible for the conduct of the club members in the club room and for the maintenance of order.

1st row, left to right: James T., Chapple, T., Kerns, R., Turner, J. (President), Nealon, E., Faculty Adviser—Major Paul M. Fletcher, Howard B. Robinson, W., Street, R., Ruiz, R., Elliott, L. 2nd row, left to right: Brock, A., Mountcastle, A., Short, I., Travassaro, S., Sheppard, D., Mann, E., Viana, R., Martin, H., Talbert, A., Fischer, G., Martin, W., Sutherland, I., Hayes, D., Hampton, J., Navarro, E. 3rd row, left to right: Ruiz, E., Krieger, J., Monahan, G., Newbill, H., Johnson, W., Gilbert, J., Robinson, A., Smith, R., Nelson, W., Gandy, E., Smith, E. 4th row, left to right: Brock, A., Carter, H., Burdge, R., Haber, R. A., Biles, M., Thompson, J., Hall, H., Pardue, R., Montfort, T., McGee, M., Felio, H., Shettlemore, W.

WILLIAM JERRY ULLRICH
President

DRAMATIC CLUB

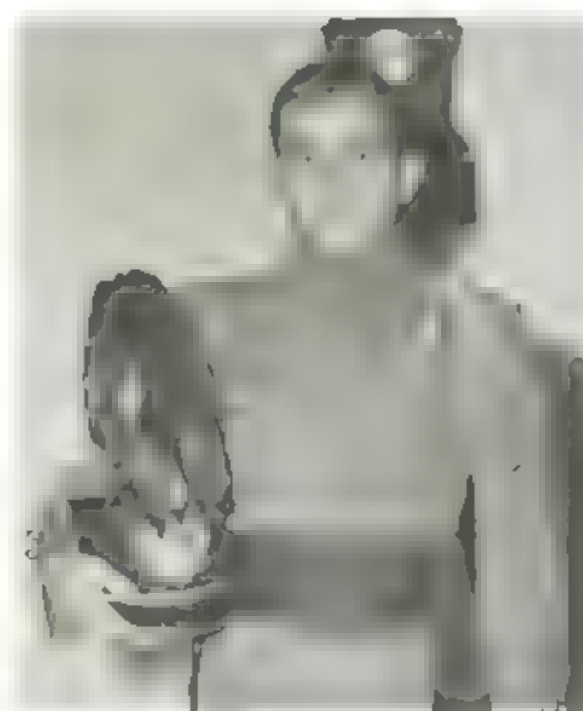

The Dramatic Club of the school session 1935-36 was organized by Captains Ben and Jim Bray with the sole purpose of bringing forth genuine interest in all component activities of the theatre. Although the enrollment of the Club was limited, sincere efforts were made to give the Club members an appreciation of the theatre as a medium of entertainment, and the interest was proportionately large. After the officers were elected, programs were planned which would draw from the entire Cadet Corps. There was a great desire among club members for variety shows and novelty acts, so it was decided that a novelty act would be done each week, using outside talent along with club members. Besides the shows, workshop projects were done and discussions were held about the current Broadway season. The highest praise must go to the club officers who planned their meetings to be entertaining and informative. There was a spirit of cooperativeness which in the real sense is the basis of dramatic activities.

Seated, left to right: Captain Bray, B., Captain Jabaut, Captain Bray, J. -Faculty Advisers. Standing left to right: King, L., MacPherson, B., Therrill, R., Dix, L., Lewis, T., Bacon, R., Mathews, P., Garrido, G., Kere, R., Deakin, J., Elkins, R., Saunders, R., Walker, G., Kennedy, R., Bridgforth, W., Beatty, S., Scott, J., Ullrich, W., Smith, W.

ORDER OF DEMOLAY

EDGAR LEE NEALON
Master Councilor

The Order of the DeMolay was founded in the year 1919 by Mr. Frank S. Land in Kansas City, Missouri. Mr. Land is now Secretary General of the Order. The purpose of the DeMolay is to teach young men to grow into better citizens with emphasis on love of God, love of parents, and love of country. Although the DeMolay has secret work within the Order, it also has a great deal of work to do outside the chapter room in aiding people who are in distress. This year the DeMolay has made progress in getting new members and giving their support to help make the campus a better and more enjoyable place to live. There are many advantages given to the young men of the Order to help build up a better group of leaders for our country. We try to instill in our young men the principles of character, honesty, leadership, and clean living. The religious and social life is considered and expected to be above the average. We feel that our members should leave us with high ideals, making their lives bring credit to our Order and to the men that have set for them a way of life while under their care and guidance.

1st row, left to right: Major I. A. Howell (Scribe), Howard, C., Bruck, A., Freedman, H., Nealon, E., Mr. William J. Folken (Faculty Adviser), Hayes, D., Elliott, L., Robinson, W., Johnson, W., Mr. Frank Crouell (Treasurer). 2nd row, left to right: Wilson, J., Mann, E., Briles, M., Hampton, J., Newbill, H., Thompson, J., Talbert, A., Nealon, W. 3rd row, left to right: Hart, J., Wilson, F., Bartley, R., Clancy, H., Kellum, C., McCann, J., Stevens, L., McGlathery, J., Short, M. 4th row, left to right: Stillwell, E., Brown, W., King, J., Marder, D., Henson, H., Carmichael, K., Richards, D., Yeargin, W., Stavros, N. 5th row, left to right: Brown, V., Redsecker, E., Corey, R., Pool, W., Ross, E., Terry, D., Gilbert, G., MacDonald, W. 6th row, left to right: Crum, T., Wright, T., Weller, R., Finch, H., Mkitarian, A., Jackson, B.

GEORGE ROBERT MILLER
President

HOBBY

CRAFTS

CLUB

The purpose of the Hobby Crafts Club in the academic program at Fork Union Military Academy is to provide a suitable extra-curricular activity for cadets interested either in metal craft or metal craft appreciation. Also we have some who are more interested in building models of wood. The type of work done depends on the individual's fancy, as the objective is for the individual to express his own interests and perfect himself in these. Some cadets have shown considerable ability in their respective field of interest. There are a few, who have worked with oils and have done some nice landscapes. So you see our group is allowed to follow a favorite hobby, which might develop into a life-long hobby and which often times turns out to be profitable. The Club meets once a week during the "Culture Hour." During the meeting we generally talk over our mutual problems and show the work done by the various members and offer suggestions as to their betterment. Most of our work is done in our free time during the week and on week ends.

Seated, left to right: Bryan, M., Faculty Adviser—Captain Highsmith, Miller, G. R., Butler, J. Standing, left to right: Granger, R., Carter, R., Montgomery, M., Reynolds, L., Harris, H., Harris, G., Feltz, R., Darrin, J., Orange, D., Daniel, A., Tucker, E., Brogden, C., Outland, B., Makepeace, W.

GOLD STAR COUNCIL

JAMES THOMAS TURNER
President

The Gold Star Council is made up of Juniors and Seniors who are near the top of their classes and who have been doing good work in activities other than academic. There are 14 members on the Gold Star Council this year in accordance with the vote of last year's Gold Star Council. The Honorary Society is perhaps comparable to Phi Beta Kappa of college level except that ours is not of national fame. Colonel Waldron, our Headmaster, has given much of his time in helping the club get under way as one of the important clubs on our campus at Fork Union Military Academy. The members take a great deal of pride in doing exceptionally fine work in all that they do and they are set up as fine examples to the Cadet Corps. Officers of the club are selected by majority vote of the members of the club. This year the President is Cadet James Thomas Turner who has been an honor student for a number of years as well as taking an active part in a number of the active Clubs on our Campus.

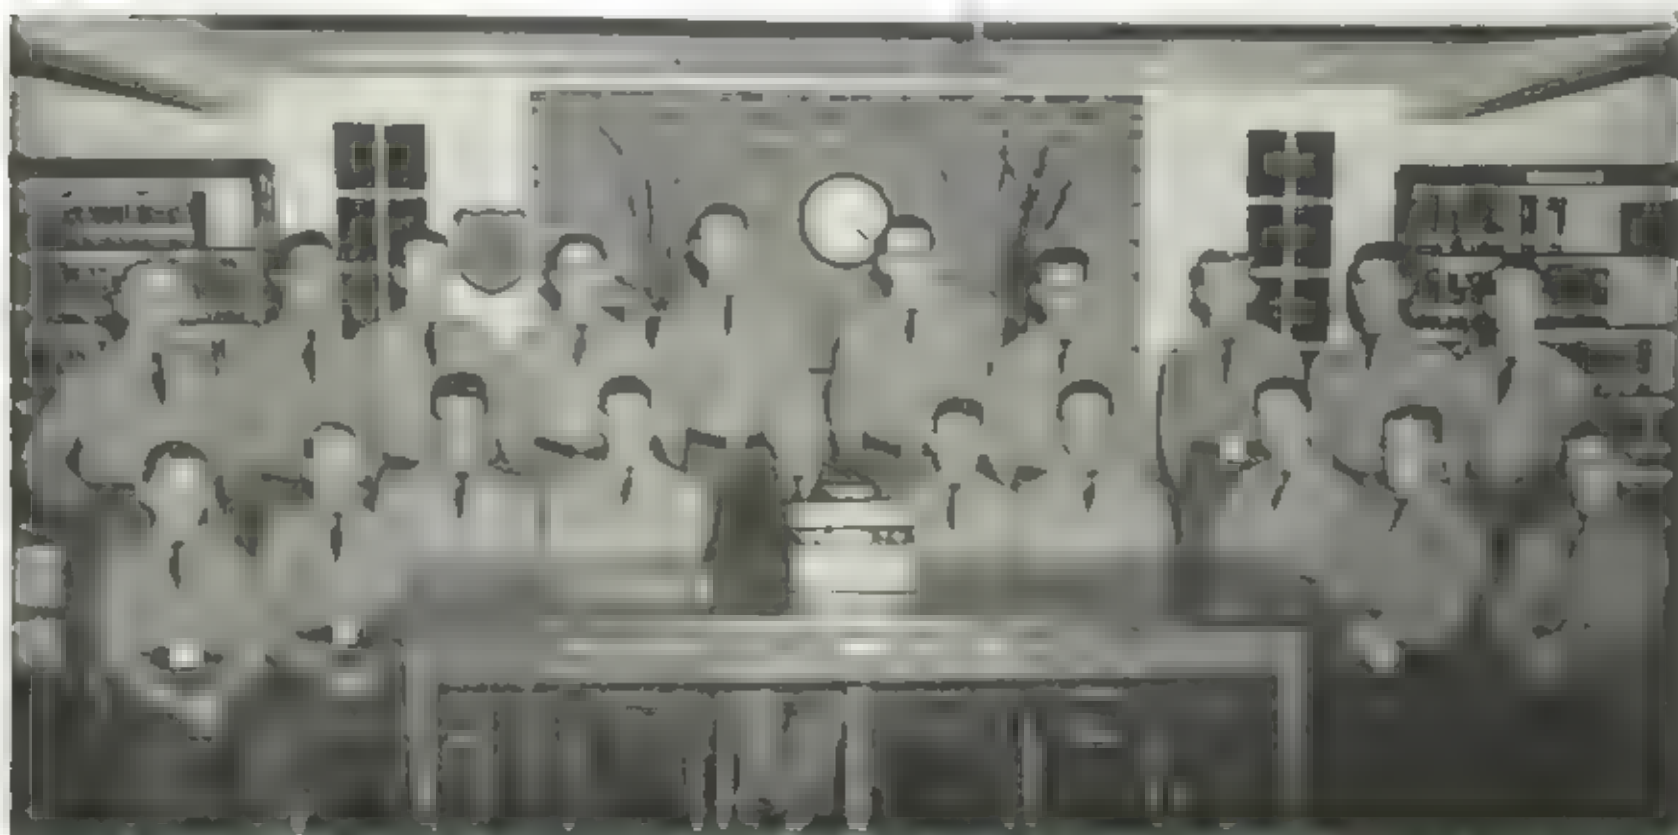

Seated, left to right: Howard, R., Brock, A., Turner, J., Faculty Advisor—Colonel Waldron, Pardue, R., Martin, H., Travassaros, S. Standing, left to right: Stevens, L., Biles, M., Fischer, G., Talbert, A., Bousman, R., Mottley, R., Higgins, A., Fazio, H.

JAMES GARNETT HARVEY, II
President

THE N. A. MUSIC APPRECIATION CLUB

The North American Music Appreciation Club here at Fork Union is composed of cadets interested in a common theme—music. These cadets are not interested so much in the listening quality of the music but rather in the finer points, using the old masters as a comparative standard of criticism and appreciation. The location of the composition of the music ranges from Mexico to Alaska, taking into consideration the fine music of the United States and Canada. This wide range was decided on because of the differences in the people and their environments. The background of the people and their environments, their spiritual beliefs, hopes and joys are what makes music what it is today. The study of music is not entirely devoted to classical music but also takes into consideration folk songs and the ultra-modern contemporary styles. Although so much of our modern music is here today and gone tomorrow, it expresses the feelings of a modern people influenced by the day to day human tragedies and joys.

Seated, left to right: Jernigan, D., Blanton, J., Blanding, W., Hughes, A., Faculty Adviser—Captain Yagel Harvey, J. Tucker, C., Seagle, C., Jonas, R., Shoemaker, G. Standing, left to right: Van Epps, J., Libby, W., Floyd, P., Wingo, J., Harlowe, M., Smith, R., Wright, C., Kelly, J., Floyd, L., Regnier, F.

FLYING CLUB

RICHARD COMPTON SAGE
President

The Flying Club at the Academy is a unit of young men interested in the field of aeronautics. The objectives of the Club are to stimulate civilian interest in and further civilian understanding of our air power. Cadets are interested in the fundamentals of aviation, weatherology, communication, aerodynamics, and related subjects. There are very few young men who are able to work in this field of aeronautics because there are so few such organizations. A large number of cadets have shown considerable ability in their field of interest. The cadets are allowed to follow their own line of interest in this club in order to allow a development in the field of aeronautics that might prove to be a life-long hobby and also turn out to be a profitable one in later years. Although the enrollment of the Club was limited, sincere efforts were made to give the club members an appreciation of aeronautics and what it means to our country. The club meets each Monday evening at seven. We feel that the Flying Club provides a very suitable extra curricular activity in the Academy program. The entire Club wants to thank Captains Knies and Barham for their help and time devoted to the club this year.

1st row, left to right: Mendofk, M., Green, T., Arguello, J., Fauber, W. Standing, left to right: Farthing, W., Harbot, E., Richardson, C., Martin, H., Robbins, G., Sage, R., Faculty Adviser—Captain Barham, Pearson, J.

JOSE CALONGE
President

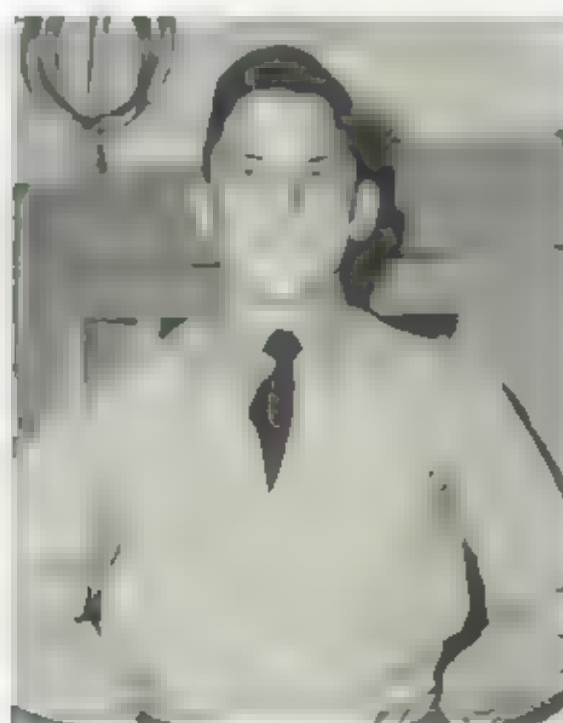

THE L. A. MUSIC APPRECIATION CLUB

Due to the large number of Cadets from our sister republics in Latin America the Music Appreciation Club for Latin Americans could boast of members from Cuba, Dominican Republic, El Salvador, Guatemala, Mexico, Nicaragua, Venezuela, and Puerto Rico. The weekly Monday evening programs included recordings of classical and contemporary music from all Spanish speaking areas as well as discussions on the influence of prominent composers. Perhaps for this reason, the meetings were in the nature of a brief homecoming to the cadets who were thousands of miles from home. Towards mid-year the club members elected to hold additional meetings for the purpose of discussing economic, political and social topics within the general framework of Panamericanism.

Seated, left to right: Castello, C., Calonge, J., Gil, E., Faculty Adviser—Captain Lowder. Standing, left to right: Lando, O., Nunez-Igartua, R., Rodriguez, V., Tankerley, J., Miranda, J., Moncayo, C., Herrera, M., Acosta-Rubio, M., Pastor, J., Soper, D., Garcia-Velez, C., Castillo, V., Soper, N., Velazquez, V., Fuentes, A., Miranda, M., Rodriguez, A., Vaz, E., Ourell, F.

SCIENCE CLUB

CHARLES WILLARD NENZEL
President

The Science Club for this year was organized by Captain Pease. It is composed of cadets who are interested in scientific and related subjects. It has been truly said by some great person that "Science is a way of thinking." The Club tries to be an effective part in making discussions and experiments for the training and betterment of its members' future. It tries to steer the cadets into a better understanding and appreciation of our world and our surroundings which we so often take for granted. We are cadets of a group who seek knowledge and know how in a scientific world. Many interesting experiments have been carried out during the year in physics, chemistry, and other scientific subjects. We feel we are a part of the present scientific age and feel proud to do our part in the progress of the world of science. The entire Club is very thankful to Captain Pease for his help and time devoted to trying to teach us some of the basic facts about science.

HAROLD McDOWELL MARTIN
Cap

During the school session of 1953-54 the Honor Drill Platoon was established under the direction of Major Harold M. Maness, our former P.M.S. & T. Fork Union Military Academy. Since then many changes have taken place which have resulted in the present Hatcher Rifles. Late in October 1955 volunteers for the drill team started competing for membership under the supervision of Captain Calmore. This unit was soon reduced to platoon size and work was begun to prepare for the spring parades and the annual Apple Blossom Festival at Winchester, Virginia. During the late fall, the platoon changed hands and under the direction of Captain Arthur B. Greene several demonstrations were put on for the cadet corps during the half time of some of our football games. Throughout the year the members of the Hatcher Rifles have worked hard to make the unit a precision drilled platoon. Under the supervision of Captain Greene and Sergeant G. F. Hadley, the members of the Hatcher Rifles have attained a high standard of military drill and individual bearing. The members of the platoon are very grateful to the military department for the supervision and aid given to them.

RIFLE TEAM

FREEMAN SLINGSUFF MONTFORT
Captain

The Fork Union Military Academy rifle team has only been active for two years since the "D" Annex burned in 1953. The team consists mainly of new cadets who have had little, if any, previous experience, but some have proven to be very good shots. During the school year the team fires many matches, most of which are postal. The main rifle match, which is not postal, usually falls around the middle of March and is held at Fishburne Military School, Waynesboro, Virginia. The match is state-wide and all the military academies and schools of the state of Virginia participate in the firing of the match. Awards and trophies are awarded to the winning team and cadet with high score. The team is constantly improving and we hope that by March '57 the team will consist of crackshots only and will be able to say, "We are the best".

6. SPORTS

*Work and play! work and play!
The order of the Universe*

JOHN DAVIDSON

On the pages that follow, we will try to give you a clear picture of our major sports here at the Academy. We have the following groups of sports: Fall—(Football, varsity, J. V., and 8th and 9th Grade teams.); Winter—(Basketball, varsity, J. V., and 8th and 9th Grade teams.); and Spring—(Baseball, varsity, J. V., Track, and Tennis.). Even though our teams were not all winning teams, we will always remember what our coaches have taught us and that is, "Try to be a sport in everything we do."

I day of toil, an hour for sport

0 MAURY HIGH SCHOOL vs. F. U. M. A.

20

Fork Union coupled the running of 'Dave' Bishop and 'Jiggs' Ficca with the superb ball handling of quarterback 'Joe' Gencavage to win our opening game from a badly outplayed Maury High eleven 20-0 at Foreman Field, Norfolk, Virginia. The Cadets piled up a total of 253 yards rushing to the Commodores 42, however Maury outgained Fork Union in the air 50 yards to 3. Gencavage, Renner, and Barbato were the main springs in getting the first score for the cadets and Quillen converted to make the count, 7-0. Jim McDonald recovered a Maury fumble on our 20 yard line which broke up their threat to score. In turn Bishop, Gencavage, and Ficca returned the ball to the Maury line and Ficca carried over for our second score and again Quillen's kick split the uprights and the score was Fork Union, 14-0. Bishop intercepted a Jordan pass on the Commodores 21 to set up the final Cadet tally with Line running 2-0-1. In two plays we went 19 yards with Gencavage pitching out to Ficca. Wayne Bergenstock belled over from the one for the final score. The Cadets' forward wall was like a rock, stopping the Maury running attack in its tracks.

14 UNIVERSITY OF RICHMOND J. V. vs. F. U. M. A.

6

The University of Richmond's Junior Varsity football team marched 55 and 60 yards in the second half of the game to defeat our Big Blue Devils 14-6. Our big team scored their lone six pointer in the final 30 seconds of play when Bishop crashed over from the four yard line. The Baby Spiders, who passed only once all afternoon, talked their first touchdown in the third period. Early in the fourth period a Spider Fullback intercepted a Fork Union pass and ran it back 15 yards to the Richmond 40. Following with a Quarterback getting away for a gain of 15 and then a 20 yards to spark a 60 yard march which ended when a Fullback on the Baby Spider team smashed through the middle of the line for a 2 yard gain and pay dirt. The Big Blue Devils could do little with the Richmond line, so the cadets picked up the majority of their yardage via the air lanes.

6 MASSANUTTEN MILITARY ACADEMY vs. F. U. M. A.

26

Our Big Blue Team of footballers spotted Massanutten a one touchdown advantage in the first quarter and then roared back to overtake the visitors 26-6 in a Military Prep League contest. Halfback Freddie Lee made it into a 6-0 tie in the second quarter when he snatched a pass in the end zone from our Quarterback Porgie Turner. Quinden converted to put the Blues ahead 7-6 a score which prevailed until halftime. In the third quarter we chalked up two more TDs. Safetyman Reiner hugged one of Massanutten's punts 70 yards for the first score and Lee capped a 30 yard ground drive by bucking over from the two. Quinden missed the first extra point but converted after Lee's score. In the fourth period Safetyman Joe Genovage put the ball game out of reach for the visitors by scooting 25 yards around end on an option play to score. In the same period Genovage got off the day's longest run when he putted in a Massanutten punt on his own three yard run and galloped 97 yards to the end zone, but the touchdown was nullified by a clipping penalty against Fork Union.

Left to right: Halfbacks on Fork Union Teams: Reimer, R., Muser, R., McPeak, L., Lee, F., Pieca, F., MacLeod, J.

0 COLUMBIAN PREPARATORY SCHOOL vs. F. U. M. A. 15

The Big Blue Devils captured its third win of the season with a 15-0 victory over the Columbian Prep of Washington, D. C. Our team took the opening kickoff and drove down the field only to have a touchdown run by Joe Gencavage, quarterback, nullified by an offside penalty. On the first play of the second quarter a 57 yard pass from George Lutter to Johnnie MacLeod was good for six points and Quilen converted for a 7-0 lead. The home team picked up two more points in the second period with a safety. Fork Union's other touchdown came in the fourth period on a 27 yard run by Fullback Don McPeak. Columbian Prep was unable to put together a drive into our Blue Devils' territory.

19 GREENBRIER MILITARY SCHOOL vs. F. U. M. A. 0

Fork Union was belted by a strong Greenbrier team in prep upset. Our team held Greenbrier at bay during the first period with our stubborn defense, but they roared back for three TD's and a 19-0 victory in the last three periods of the game. Dave Bishop was our outstanding player of the game. Four Greenbrier fumbles recovered by Fork Union kept the Big Greenbrier team from getting underway prior to halftime. Except for a third quarter passing attack which started on our 15 and carried to the Greenbrier 20 we made no real threat. Greenbrier led in first downs 13 to 2, completed four of seven passes for 65 yards against three of five for 60 yards by Blue team, and drew three yards in penalties against none for Fork Union.

1 Fork Union Team, left to right: Line: Carver, W., Lardani, R., McIntyre, W., Bailey, D., Whitt, R., Simone, R., Arce, L. Backfield, left to right: Coach 'Gus' Lacy, MacLeod, J., Reimer, R., Quilen, L., Lee, F.

4 Fork Union Team, left to right: Line: Barbato, P., Cantrell, D., McAuliffe, T., M... Holsclaw, W., Nagle, F., Mueller, F. Backfield, left to right: Coach 'Rosie' Thomas, M... Turner, G., Bishop, D., Ficca, F., Coach 'John' Hunt.

6 VIRGINIA MILITARY INSTITUTE J. V. vs. F. U. M. A. 13

The V. M. I. J. V. cadets of Lexington, Virginia, made a trip from out of the valley to give our Big Blue team a triumph of 13-6. A forty-nine yard ground drive by our Big team and a fifty-one yard scoring pass from George Turner to Fred Mueller carried Fork Union to the victory over the V. M. I. junior varsity. The second period drive was climaxed by a one-foot plunge by David Bishop of the Big Blue Devils. The touchdown pass mentioned above came in the fourth quarter. The V. M. I. J. V. or 'Rats' made their only tally in the final period of the game. Their score was the result of a nine-yard toss from Bobby Ross to Jim True. Quillen was also credited with one conversion.

19 CHOWAN JUNIOR COLLEGE J. V. vs. F. U. M. A. 13

(MURFREESBORO, N. C.)

Our Big Team played one of the best games of the season but lost 19-13, to an undefeated and untied Chowan Junior College team in North Carolina. Bishop and MacLeod carried the ball down to the 27 yard line after taking over on their own 40, and in turn George Turner passed to Ficca for a touchdown and the extra point was made good by Quillen. Later Chowan recovered a Fork Union fumble on our own 21 yard line and scored a touchdown, but failed to make good the extra point. So at half time we found the score to be 7-6 in our favor. In the third period Chowan scored again and made good the extra point. With the combined efforts of Bishop, Ficca, and MacLeod the Blue Devils racked up another score. Johnny MacLeod broke up a beautiful play by downing Johnny Warren on the 10 yard line after an 80 yard run. The game was a tie until the last few minutes of play when Chowan picked up a Fork Union fumble and made good a 112 pass for a touchdown. The final score being 19-13 in favor of the college team.

Left to right: Guards on Fork Union Teams: McIntyre, W., Whitt, R., MacDonald, J. 'Tex', Mc Aubiffe, T., Holsclaw, W.

19 HARGRAVE MILITARY ACADEMY vs. F. U. M. A. 6

Hargrave Military Academy upset the bracket by defeating the favored Fork Union team, 19-6, in a bruising Military League game. During the first period, Hargrave took possession on its 50, after the Blue Devils were forced to punt, and marched 70 yards in 11 plays to set them up with a 6-0 lead. This was all the scoring in the first half as the two big lines battled away and took control of the game. Hargrave scored on the kickoff, in the second half, when Bruce Nunnally went 100 yards through the entire Fork Union team untouched. Near the end of the third quarter our own Dave Bishop went over for a touchdown from our 5 yard line to trail 12-0. The final period was made interesting in the last few minutes of play when Hargrave took a pitchout and went 12 yards for the final Hargrave score. Both teams have a 4-4 record for the season and have identical 1-1 records in league play.

26 STAUNTON MILITARY ACADEMY vs. F. U. M. A. 14

Staunton Military Academy defeated Fork Union 26-14, to win the State Military League championship. In winning the Hiltoppers avenged the 3-7 loss of last year's classic. The first period was mostly a matter of spattering offenses by each team and developed into a punting duel. Near the end of the first quarter Quisenberry and Smith of Staunton moved for two first downs. On the first play of the second period the Hiltoppers broke through right tackle and went 70 yards for their first touchdown. Smith made the extra point by plunging over left guard. So Fork Union got hot and tied the score as Ficca threw a 12 yard pass to MacLeod for the key play, putting Fork Union on the Staunton 5 yard line. Bishop bucked over guard for the touchdown and Quillen made the extra point good. So in short order Pugh of the Hiltoppers took the kickoff and raced 60 yards through the entire Fork Union team for a touchdown and the extra point was made good. Our final score came on a pass from Ficca to MacLeod, 2-1 for 61 yards, and Quillen booted his second extra point to send the teams off the field deadlocked 14-14 at the half. The final tally came in the fourth quarter as Pugh went off right tackle for 30 yards.

J. V. FOOTBALL-'55

6 THOMAS JEFFERSON HIGH SCHOOL J. V. vs. F. U. M. A. 13 (RICHMOND, VA)

The 'Little Blue Devils' of Fork Union Military Academy started their season by romping a smashing 13-0 victory over Thomas Jefferson High School. Cadet Maupin caught two touchdown passes for the little team and proved to be the outstanding player of the game. *Coach* Ross and *Coach* Womble are to be congratulated on this opening game and the fine showing made by the Junior Varsity team.

13 THOMAS JEFFERSON HIGH SCHOOL J. V. vs. F. U. M. A. 0 (RICHMOND, VA)

The Fork Union J. V. team played a very strong Thomas Jefferson J. V. team as compared to the earlier game in which we were the winner. The game was a very bad break for the 'Little Blue Devils' as they really played hard. It seems as if all the good breaks went to T. J. and we got all the bad ones. Our team was called back twice after making some nice plays for touchdowns, so we end up with no score and T. J. who got all the breaks of the afternoon went off the winner 13-0.

13 STAUNTON MILITARY ACADEMY J. V. vs. F. U. M. A. J. V. 0

Our J. V. Team made a trip to Staunton, Virginia, to play the Junior Hilltoppers and were saddened with a loss of 13-0. They proved to be too good for our 'Little Blue' team. Staunton made one of her touchdowns by driving hard up the middle of the field to pay dirt and the second one by end runs. They were after us due to the 12-0 defeat we gave them last season. Our boys fought hard but the 'Little Hilltoppers' were a little too good for them.

20 FLUVANNA HIGH SCHOOL vs. F. U. M. A. J. V. 0 (CARYSBROOK, VIRGINIA)

The Fork Union J. V. team went over to the local High School to play Fluvanna at Carysbrook, Virginia, as it was an open date for our team, and it ended in a 20-0 Homecoming triumph for *Coach* Costello and his spirited team who has a record now of seven wins in eight starts. End Rice of the Fluvanna team scored twice to become the star of the game. One touchdown was made on a four yard end run and the other on a 10 yard pass which was a climax to a drive of 80 yards. Our J. V. were within inches of scoring many times but just couldn't get past a well coached and trained team.

39 FARMVILLE HIGH SCHOOL vs. F. U. M. A. J. V. 12 (FARMVILLE, VIRGINIA)

The 'Little Blue' team played its last game over at Farmville, Virginia, and we are right proud of the good showing they made even if the score ended 20-12 in the favor of *Coach* Gilmer and his boys. He has a good team and we feel we did a good job by scoring at all. It was a sixth victory for Farmville. Jack Harrington of Farmville started scoring in the second quarter when he went 55 yards on a reverse play for a touchdown. Lyons and Moser made the touchdowns for our J. V. team. We had a good season in spite of the many games we lost. Our thanks to our coaching staff, and we hope that the J. V. team of '56 will help bring back our winning streak.

F. S. M. S. W. P. L. E. F. M. S. B. W. Major D. M. S. C. G. H. Not present for the photo.

1. 'Harty' Goode makes it good. 2. 'Freddie' Lee tips it. 3. Barbato 'springs' into action. 4. M. Ruckert Lee, and Mortson in the time light. 5. 'Chet' Hall in action. 6. Quallen was always good for some points. 7. Captain Parker shows I. M. I. ender how it is done. 8. Mortson makes it good. 9. Parker, has the 'art' and 'touch' on how to handle that ball. 10. Goode, is the kind of player all coaches wish for.

FOREWORD

As another year comes to a close, may those cadets who turn these pages in future years have brought back to mind the treasured memories of their days at Fork Union. It is the fervent hope of the administration, faculty and staff that you will find these memories richer with the passing years, and that these pages will serve to keep them bright.

The JUNIOR SKIRMISHER STAFF would like to take this opportunity to express thanks to Major Ransone, Major Pendergrass and Mrs. Kelly for their assistance in supplying needed information. Major Ransone deserves an extra "Thank you" for taking several pictures. To Mrs. Lymis and Mrs. Stevens an expression of gratitude for typing and proof reading.

Latendorf, Vallei, Iwanoski, Markus, Morales.

1st Reg. Cadet Squares academic problem with Major Pendergrass. Cadet Enck trying to keep his hands warm—lost one of his gloves. It was a white Christmas at Fork Union this year.

1st Reg. Seaburn and Garrison two energetic cadets—hope they were not thrown into the washing machine with the soiled laundry. Capt. Hardy and his campers getting ready to sing their official song "WERE TEXTING TONIGHT."

1st row: A group of Capt. Campbell's swimmers. Junior School on parade. Randy Ransone listens to a favorite record. 2nd row: Winter wonderland in Fork Union. A moment's pause during intramural sports. Cadets Rice and Taylor seem happy about something perhaps it is because they are having their picture taken. 3rd row: Squiers behind the camera. Bristow directing. Cadet Carter poses. Cadets Haynes, Bristow, Hooper and Blue doing a little clowning around. Crafts Club enthusiast

ACKNOWLEDGMENTS

This year the Staff of the 1956 *Skirmisher* has tried to present a pictorial history of a year at Fork Union. Publishing a yearbook requires the help of many individuals and here we wish to express our appreciation to those who have made this book a reality. The staff wishes to thank sincerely Mr. Irvin I. Silvers and the staff of Garamond Press, Mr. and Mrs. A. A. McClure of Andre Studio, Colonel Crickett, Colonel Waldron, Major Whitman, Major Pendergrass, Major Ransone, Captain Kert, Mrs. Ellen B. Stevens and Mrs. M. Pennington Ivins for their cooperation. For the Junior School division of the book, we are indebted to Captain Charles F. Hoffman. Last, but certainly not least, we extend our appreciation to Captains Herbert F. Reichenbach and James N. McQueen, our faculty advisers, for their guidance and help in avoiding the many pitfalls in putting out a yearbook. We hope you have not found too many errors or omissions between the covers; if you do please forgive us. We are only human and go to classes and take exams like everyone else. We hope you enjoy the book as much as we have in producing it.
